Dear Jerger Families,

Jerger Elementary School PTO will be hosting the 8<sup>th</sup> annual Jerger Scramble Golf Tournament on Saturday, September 30<sup>th</sup>. Profits will be used to fund Jerger PTO projects that benefit our school and students. Past projects include: the purchase and installation of a media screen and projector for the gym; landscaping around the cafeteria; Chromebook computers for classroom use and the purchase of new library books and media equipment for Jerger's library.

We need your help to make this year's Jerger Scramble successful. You can help us in the following ways:

- Register to play in the tournament.
- Help us spread the word about the tournament by sharing the attached flyer with your friends, business associates, and family members.
- Volunteer to help us on the day of the tournament (you can email us at [jergerelementarypto@yahoo.com](mailto:jergerelementarypto@yahoo.com)).
- Sponsor a golf hole.
